Letter from G.W. Wells Esquire, M.A., I.C.S., Collector of South Kanara, No. Ref. C. 3846-25-B3, dated 3rd June 1925.

RESOLUTION.

The Collector of South Kanara is informed that loans at the concessional rates of interest can be granted during the current year only in cases where they are required on account of the damage caused by the floods of last year. His attention is in this connection drawn to paragraph 2 of G.O. No. Mis. 78 Revenue, dated 15th January 1925 communicated with B.P. Mis. 96, dated 16th January 1925 under which a definite

date should be fixed by which all applications for loans at the concessional rates of interest should be received.

Copy of letter from G.W. Wells, Esq., M.A., I.C.S., Collector of South Kanara, No. Ref. C.3846-25-B3, dated 3rd June 1925:-

Advances - Loans - Flood affected areas - Concessional rate of interest - B.P. No. Mis. 2417, dated 11-10-1924 and B.P. No. Mis 2973, dated 12-12-1924.

I am not sure whether loans can be granted during the current official year also at the concessional rates of interest for the purposes specified in G.O. No. 1575 Revenue dated 10-10-1924 and G.O. No. 1759, dated 12-11-1924 communicated with the above B.Ps Cases of the kind are still being received, and may also arise hereafter, which depends on the nature of the monsoon. I therefore solicit the Board's instructions whether the favourable rates of interest can be applied to loans sanctioned for the flood-affected areas during the current official year

Advances. Loans - (S. Kanara) - Concessional rate of interest - Extension of time fixed B.P. 2836 Rect dy 13.6.25 + 3539 dy 27.7.25

To Under Secy

Please see O.M. 1966 B/25-1 dy 25.6.25 and B.P. 3539 Rect dy 27.7.25 on pages 3 to 5 C.F. It was to bring the issue of the loans to a definite finish as early as possible that a definite date was fixed as observed by which all applications should be received. The Collr. of S. Kanara originally fixed 28.2.25 as the latest date for putting in applications as required by para 2 of G.O. mis. 78 Rev dy 15.1.25. He ought not have extended the time till 15.8.25 without consulting the Board or Govt. But the Board has issued instructions that the loans at the concessional rates of interest can be granted only in cases where they are required on account of damages caused by the floods of last year. This will act as a safe guard, to some extent, against any abuse of the Concession by indefinitely extending the period originally fixed. It seems sufficient if the B.P. is recorded with the remark that the extensions of time should not have been granted by the Collr. without the previous sanction of the Board or the Govt. For orders.

CRP 14/8/25.

The Govt. consider that there was no justification for the doubt expressed by the Collr. of South Kanara in his letter No. Rf. C 3846-25-B3 dated 3.6.25, as G.O. no 78 dated 15.1.25 cannot bear the construction he suggests. Even the extension of time to 15.8.25 in favour of applicants for loans required to ~~real~~ restore damage done by the floods of 1924 was against the spirit of the G.O. and should not have been sanctioned by the Collr. The instructions issued by the Board in B.P. 2876 Revt dt 13.6.25 are approved.
